            The Foreign Ministry action confirms that Doraemon has come to be considered a Japanese cultural icon. In India,
its Hindi, Telugu and Tamil translation has been telecasted, where the anime version is the highest-rated kids' show; winning
the Best Show For Kids award twice at the Nickelodeon Kids' Choice Awards India in 2013 and 2015. In 2002 Time Asia magazine
acclaimed the character as an "Asian Hero" in a special feature survey. An edited English dub distributed by TV Asahi aired
on Disney XD in the United States started on July 7, 2014. On August 17, 2015, another English dubbed version distributed by
Luk Internacional began broadcasting on Boomerang UK. The film series is the largest by number of admissions in Japan.

            Doraemon (Japanese: ドラえもん Japanese pronunciation: [doɾaemõɴ]) is a Japanese manga series written and
illustrated by Fujiko Fujio, the pen name of the duo Hiroshi Fujimoto and Motoo Abiko. The series has also been adapted into
a successful anime series and media franchise. The story revolves around an earless robotic cat named Doraemon, who travels
back in time from the 22nd century to aid a boy named Nobita Nobi (野比のび太, Nobi Nobita).

            Doraemon, a cat robot from the 22nd century, is sent to help Nobita Nobi, a young boy, who scores poor grades and
is frequently bullied by his two classmates, Takeshi Goda (nicknamed "Gian") and Suneo Honekawa (Gian's sidekick). Doraemon
is sent to take care of Nobita by Sewashi Nobi, Nobita's future grandson, so that his descendants can improve their lives.
Doraemon has a four-dimensional pouch in which he stores unexpected gadgets that help improve his life. He has many gadgets,
which he gets from The Future Departmental Store, such as Bamboo-Copter, a small piece of headgear that can allow its users
to fly; Anywhere Door, a pink-colored door that allows people to travel according to the thoughts of the person who turns the
knob; Time Kerchief, a handkerchief that can turn an object new or old or a person young or old; Translator Tool, a cuboid
jelly that can allow people to converse in any language across the universe; Designer Camera, a camera that produces dresses;
and many more.

            The first full story in the Doraemon manga series was published in January 1970. A pre-advertisement for the
manga was published in six different magazines in December 1969. A total of 1,465 stories were created in the original
series, which are published by Shogakukan. It is the best-selling manga for children and one of the best-selling manga in the
world, and has sold over 100 million copies as of 2015.
